I am Manish Kumar, a second year B.Tech student in Chemical Engineering at the Dr. B.R. Ambedkar National Institute of Technology, Jalandhar. I am passionate about the field of chemical engineering and its applications in various domains such as energy, environment, and biotechnology. I have acquired a solid foundation in the core concepts and skills of chemical engineering through my coursework and projects. I am also keen to explore new opportunities and challenges that will enhance my learning and professional development in the field of chemical engineering.
